App Sandbox Resources

⚠ This thread has been locked by a moderator.

General:

- DevForums tag: App Sandbox
- App Sandbox documentation
- *App Sandbox Design Guide* documentation — This is no longer available from Apple. Sadly, there's still some info in there that isn't covered by the latest docs (r. 105265128). For the moment, I recommend that you consult an old copy [1].
  - App Sandbox Temporary Exception Entitlements archived documentation
  - Embedding a Command-Line Tool in a Sandboxed App documentation
  - Discovering and diagnosing App Sandbox violations (replaces the Viewing Sandbox Violation Reports DevForums post)
  - Resolving App Sandbox Inheritance Problems DevForums post
